

Syllabus

MRWC, 2018-2019

Mr. Rhodewalt, Rancho Mirage High School, Room 608 (brhodewalt@psusd.us)

<http://www.rhodewalt.com/room608.html>

This class will be unlike any math class you have experienced. Throughout the MRWC curriculum, you will engage in collaborative mathematical activity games and explorations. These instructional activities will enable you to examine, test, and communicate your reasoning and knowledge through collaborative efforts similar to those you are likely to encounter in college and career settings.

This class reinforces and builds on mathematical topics and skills developed in earlier high school math. This class was designed by CSU and UC university professors, and follows the standards currently associated with Pre-Calculus as well as the optional standards associated with Integrated 3 math.

You will work hard in this class, and you will learn about patterns and profound mathematical concepts.

Attendance

You are expected to arrive before class, set up your things, and begin work before the start of class. You will be marked tardy if you walk in after the start of class. If you are late repeatedly, there is an escalating series of consequences. (See the Tardy Policy in Google Classroom.) If you need to be reminded to get to work after the bell, you and I will meet outside of class to discuss this.

If you miss a class, you are responsible for determining your missing assignments and turning them in the day after you return. Assignments are posted each morning in the room and on the classroom web site, along with Remind.

Required Materials

These items are required in class each day:

- Two pencils, sharpened before the start of class
- Eraser (best locally are Staedtler white plastic)
- Three-ring binder (2”), with seven tab dividers, to be used solely for this class
- Pen (black or dark blue)
- Lined paper
- Straightedge (ID card, pencil, eraser, ruler)

If you do not bring all of these, you will be distracting other students by borrowing from them or by not doing your work.

Tear off and return this portion by Friday, August 10.

Date: _____

I have read and understand the MRWC, 2018-2019 (Rhodewalt) Syllabus.

Parent name: _____ Student name: _____

Parent signature: _____ Student signature: _____

Parent phone: _____ Parent email: _____

Homework

Homework will be assigned occasionally, to be completed overnight. You should contact your classmates briefly to compare results, and fix any errors you find.

Gum/Food/Drink

Food and drink cause messes in the classroom and so are prohibited. (Gum is prohibited on campus by school policy.) Please do not bring gum, food, or drink (other than water) into the classroom.

Personal Electronics

We will use calculators and Chromebooks in class all year. You rarely need your cell phone or your ear buds. Turn off your phone and put it and your ear buds away before you enter the classroom. I will confiscate these if I see them. Confiscated items can only be retrieved by your parent, at the end of the day. Repeated events can result in referral to the assistant principal for detention or other consequences.

Class Participation

You will be expected to participate actively throughout the period: answer and ask questions, work in groups, respect the speaker, follow instructions, and be prepared each day. Participation is important so I track it in Synergy. A classroom economy in Room 608 will reward you for active participation.

Grading Components

As in most college math classes, tests make up most of your grade. There will be approximately four unit tests each semester.

Tests and quizzes	40%
Semester final	10%
Classwork and homework	30%
Binder	10%
Class participation	10%

Letter grades follow the PSUSD adopted scale (90-100% = A, 80-89.9% = B, 70-79.9% = C, etc.). Per the department and district policies, grades are not rounded up. A grade of 79.9% is a C.

I update Synergy within 24 hours for most assignments.
